

# EcoScoop360 | Property Management Access Authorization

To: Condo Board / Property Management of \_\_\_\_\_

From (Tenant Name): \_\_\_\_\_

Unit Number: \_\_\_\_\_

## Subject: Authorization for Pet Waste Maintenance Service

The resident of the above-mentioned unit has engaged **EcoScoop360** (a division of PopichCo Ventures Inc.) for professional pet waste removal services. To ensure the highest standard of cleanliness, safety, and compliance with building aesthetics, **EcoScoop360** operates under the following professional standards:

- **Fully Licensed & Insured:** EcoScoop360 is a professional, Calgary-based business that is fully licensed and carries comprehensive liability insurance.
- **Hygienic Standards:** All equipment is sanitized between every property to prevent cross-contamination and ensure the health of all pets within the complex.
- **Bylaw Compliance:** All waste is double-bagged in **BPI/BNQ certified compostable bags**, meeting the City of Calgary's strict standards for municipal composting programs.

**Request for Access:** We request permission for EcoScoop360 technicians to access the property to service the unit resident's designated pet area (including private patios, balconies, or adjacent common-use lawn areas).

## Waste Disposal Designation (Management to Select One):

- ☐ **Authorized Green Bin Use:** Permission is granted to use the building's communal or unit-assigned **Green Compostable** bins for disposal of double-bagged, certified compostable waste.
- ☐ **Haul-Away Required:** All waste must be removed from the property by the technician. (Note: Additional haul-away fees will be applied to the unit resident's invoice).

**Authorization Signature:** By signing below, management acknowledges that EcoScoop360 is authorized to enter the property for the sole purpose of pet waste removal for the unit specified above.
